

DIABETES PREVENTING THE PREVENTABLE (DPP) FORUM

18 May 2025 (Sunday) | Cordis, Hong Kong

<https://dpp.adf.org.hk>

At the end of the forum, participants should be able to:

- Recognize the importance of using multidisciplinary care to empower and engage patients during their life journey of living with diabetes;
- Acquire latest knowledge in the fields of quality improvement and use of latest technologies to improve clinical outcomes;
- Understand the opportunities and challenges in using community and societal approaches to raise awareness and prevent diabetes and non-communicable disease.
